To a Cretan sitting in the south, it was hardly an issue. To Greeks I asked, the same question is not at all an issue. Do you want your vote to count? And so, just my vote counts. Do you want your vote to count? Not something Greek currently gets. In one of the minor arts, I can think of no better occupation than to count votes. Some of the writers have done it before and seemed not to have ever been tired; I, however, am a poor, cynical creature, and have known exhaustion ever since the day I first counted votes. I have sat in a chair counting numbers till the chickens came home and a cake was baked: and then only was I weary. But the thing I wanted to do was to try to count the ballots of 50,000 people while I was still fuming at the duplicity of the Greek electorate. I did it on the way back to London
