The police said they found 19-year-old Hermina Sison and 33-year-old Mercedita Capiteco unconscious after the crash. ADVERTISEMENT The truck driver, a 42-year-old male, survived the incident. According to initial report, the two women were standing on a sidewalk near a club when the motorcycle crashed into the truck, pinning them down. The police said they have unconfirmed reports that the two women had just finished a date at a bar in the area. Capiteco was transported to a hospital where she was declared dead on arrival, while Sison was brought to a hospital where she succumbed to her injuries early Sunday morning, the police said. Initially, the police said Sison had died from her injuries, but a hospital official corrected that information and said she died of severe head injury. The police also recovered the motorcycle of the driver from the scene of the incident.
